

APRIL 2022

THE WORLD OF INTERIORS

WELCOME!

LIVING WITH FLAIR in Lagos, Hampton Court, Genoa, Bloomsbury, the Yucca Valley, and on the Rive Gauche

1. POLLY FENWICK TEXTILES works closely with artisans in Rajasthan, India to source beautiful tablecloths and fabrics created using the traditional method of hand blocking. Available in beautiful vibrant designs, they create everything from table cloths to bed quilts, wash bags and children's pyjamas. Discover more at www.pollyfenwicktextiles.co.uk and follow @pollyfenwicktextiles on Instagram.

2. WORK + SEA is a design studio specialising in wallpapers and textiles. This artist-designer duo apply suggestions of narrative to their prints which bring a dynamic and imaginative touch to any space, they create bespoke designs and can customise any of their patterns to suit your needs. Discover more at www.workandsea.com and follow @workandsea on Instagram.

3. AGATHA PORTO combines heritage with a passion for knitting. This unique collection of home textiles is inspired by the colourful designs of Portuguese façade tiles. All cushion covers, throws and tea towels are manufactured in Portugal, using natural fibres only. Follow @agathaportoshop on Instagram or discover the collection at www.agathaporto.com

4. REBECCA'S AIX HOME specialises in antique and vintage textiles from India, France and Eastern Europe. Vintage kantha quilts, antique French linens plus rustic textiles from Hungary and beyond. Shop for quilts, throws, floor runners, fabric and cushions to add colour and pattern to your home. Visit www.rebeccasaixhome.com and follow @rebeccasaixhome on Instagram.

5. FRAÎCHE DESIGN create unique, contemporary wallpapers from their studio in Somerset, England. Their debut collection, 'Layers of the Earth', draws inspiration from the sea up to the sky, hitting the spot for lovers of colour and fun design. Add a fresh pop to your home and discover the collection at www.fraichedesign.co.uk and follow @fraichdesign on Instagram.

6. MAGNOLIA FABRIC provides beautiful, high quality materials for everything from upholstery and pillow covers, to curtains and lampshades. As well as supplying a range of outdoor fabrics in a huge palette of patterns and colours, they offer professional advice and sewing service to help to create your desired outdoor space. Discover more at www.magnoliafabric.uk and follow @magnolia_fabrics on Instagram.

7. MY LITTLE OPULENCE's love of colourful, exotic fabric is the founding inspiration for their beautiful cushions. Bursting with bohemian joie de vivre, these timeless pieces are for imaginative interiors full of passion and playfulness. Visit www.mylittleopulence.com.au and follow @mylittleopulence on Instagram.

8. FERRICK MASON creates chic and distinctive textiles and wallpapers for those seeking unique colour and pattern. Their textiles and wallpapers lend themselves to a variety of applications, from the traditional to the unabashedly modern. Discover more, and find showrooms in London, US and Canada at www.ferrickmason.com Follow @ferrickmason on Instagram.

9. MAZY PATH is a line of botanical wallpapers, based on the handmade linocut prints of textile designer Alexis Audette. The designs explore plants and their stories through the lenses of contemporary nature writing and art history. Discover more at www.mazypath.com and follow @mazy_path on Instagram. Photo credit to Alexandra Rowley.

10. MEGAN JOHNSTON COLLECTIVE carries home decor essentials to help you achieve that lived in look for your home. From hand-picked kilim pillows and blankets, to locally sourced hand-turned wooden bowls. They also have an heirloom collection to offer decor with style and a timeless look. Visit www.meganjohnstoncollective.com email meganjohnstoncollective@gmail.com and follow @meganjohnstondesign on Instagram.

11. MAISON ANNE CARMINATI offers luxurious home accessories that inspire elegance and harmony. Each collection of cushions, throws and linens are designed in their Paris studio and hand crafted by artisans across France. Bespoke services offered. Each item is made to order, discover more at www.maisonannecarminati.com and follow @maisonannecarminati on Instagram.

12. NODA HERITAGE is inspired by Peruvian indigenous culture, and its vibrancy of life, all handmade with ancient techniques using wool sourced from independent farms in the Puno region in Peru. The yarn is hand-spun, dyed using native plants and insects, and hand-woven on a pedal loom by artisans and weavers in Ayacucho. Visit www.nodadesigns.com to find out more.

13. SHARON JANE INTERIORS designs and makes wallpapers, textiles, prints and cushions through a playful use of colour. Each design is produced using a variety of methods including screen print, painting and a combination of digital effects and printing. Visit www.sharonjane.co.uk and follow @sharonjanewallpaper on Instagram.
